

ABOUT US

Established in Mumbai, India in 1992, the company has carved a niche as a prominent and reliable Manufacturer, Supplier and Exporter with a target segment of Engineering, Pharma, Food & Laboratory Industry sectors worldwide. With an ever-expanding portfolio of products for a diverse range of customer ACROSIL has emerged as a trusted brand and partner in mutual growth and development.

It is our constant endeavor to make engineering products customer centric by providing quality products with right ethics, competitive rates and reliable deliveries.

PRODUCT & SERVICES

We specialize in wide range of high-quality standard with Custom Moulded, Extruded and Hand built Rubber products & components. These are made as per customer requirements and Specifications.

We are Bringing New Revolution in Rubber & PTFE (Teflon) Re-Engineering with manufacturing of various products ranging from Silicone Rubber Sheets, Rubber Gaskets For Flanges, Rubber 'O' Rings, Rubber, Sleeves/Tubes/Pipes/Hoses, Rubber Sealing/Packing Gaskets, Silicone Door Gaskets, Rubber Bellows, TC Gaskets, Inflatable Seals & Gaskets, Rubber Balls, Vibro Sifter Silicone Moulded Sieves & Gaskets, PTFE (Teflon) Products and many more.

QUALITY ASSURANCE

It's all about **QUALITY** at **Acrosil Products Private Limited**. The products are manufactured within our state-of-the-art manufacturing facilities to achieve the highest quality standards. The products are inspected and tested through stringent quality norms laid down by the industry.

RUBBER SHEETS

Description

- Red, White & Transparent Silicone Food grade Rubber Sheet
- Black Rubber Sheet
- Black Viton & Off white Viton Food grade Rubber Sheet

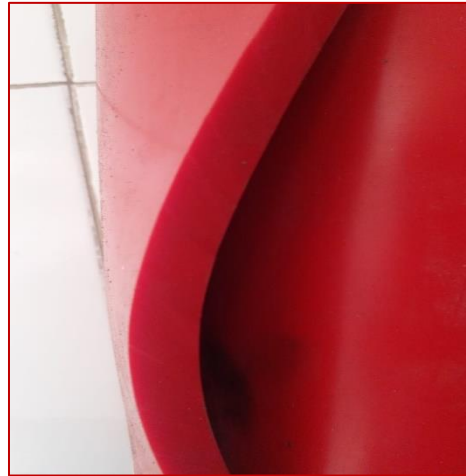

Quality

Silicone Rubber, Food Grade, Natural Rubber, EPDM, White Rubber,

Size

As per Requirement

Customized Yes

RUBBER GASKETS FOR FLANGES

Description

- Red, White & Transparent Silicone Food Grade Rubber Flange Gaskets
- Black Viton & Off white Viton Food Grade Rubber Sheets
- White Food grade Rubber Flange Gaskets with holes on PCD

Quality

Silicone, Food Grade, PTFE, EPDM, Viton, Neoprene and NBR Rubber

Size

ID 2" to ID 14" and Thickness 3mm to 5mm

Customized

Yes

RUBBER 'O' RINGS

Description

- Red, White & Transparent Silicone Food grade Rubber 'O' Rings
- Black Viton & Off white Viton Food grade Rubber 'O' Rings

Quality

Silicone, Food Grade, PTFE, EPDM, Viton, Neoprene NBR Rubber

Size

ID 5mm X Dia 2mm Up To ID 1500mm X 16mm Thickness

Customized

Yes

RUBBER SLEEVES/TUBES/PIPES/HOSES

Description

- Transparent Silicone Food Grade Rubber Tubing's & Pipes
- Red And White Silicone Rubber Tubing's & Pipes
- Platinum Cured Transparent Silicone Tubing's & Pipes
- Black Viton & Off white Viton Food Grade Rubber Tubing's & Pipes
- Transparent Silicone Nylon Braided Hoses
- Transparent PVC Non-Toxic Hose Pipe with Wire Braiding (Thunder Hose)

Quality

Food Grade Silicone and PVC Rubber

Size

Small Size To Big Size, As per requirement size

Customized

Yes

SILICONE DOOR GASKETS

Description

- White, Red & Transparent Silicone Food grade Rubber Seals and Gaskets for Door
- Available in Square type , Round Type and as per drawing or Sample
- Silicone Sponge Rubber Door Seals and Gaskets

Quality

Food grade Silicone Rubber

Size

As per requirement Size

Customized

Yes

RUBBER BELLOWS

Description

- Red, White & Transparent Silicone Food Grade Rubber Bellows
- Black Viton & Off White Viton Food Grade Rubber Bellows
- White Food Grade Rubber Bellows with and without Flanges
- Fabric Reinforced Bellows for Medium Pressure
- Wire Reinforced Bellows for High Pressure

Quality

Silicone, Food Grade PTFE, EPDM, Viton, Neoprene & NBR Rubber

Size

ID 10mm Up To ID 950 and Length as per requirement

Customized

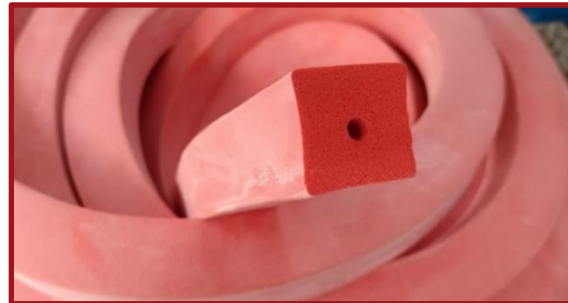

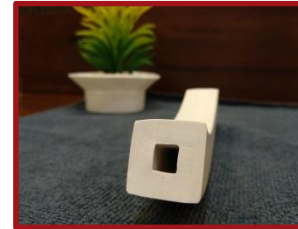

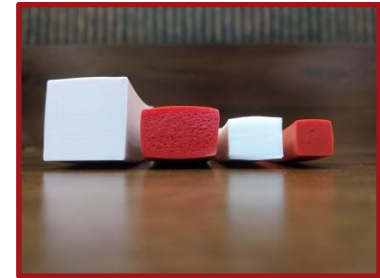

Yes

RUBBER SEALING / PACKING GASKETS

Description

- Square Type Gaskets
- Strip Gaskets
- P Type Gaskets
- C type Gaskets
- V Rings
- Silicone Sponge Gaskets
- Panel Door Gaskets(One side self Adhesive)
- Rectangle Type Gaskets
- D type Gaskets
- U type Gaskets
- B/F Valve Gaskets
- Seals
- Cord Gaskets

Quality

Silicone, Food Grade, PTFE, EPDM, Viton, Neoprene and NBR Rubber

Size

As per requirement Size

Customized - yes

TC GASKETS

Description

- Transparent Silicone Food Grade Rubber TC Gaskets
- Black Viton & Off White Viton Food Grade TC Gaskets
- PTFE Teflon TC Gaskets

Quality

Silicone, Food Grade,
Viton, EPDM, PTFE,
Neoprene and NBR Rubber

Size

1/2" to 14"

Customized Yes

INFLATABLE SEALS

Description

- FBD Inflatable Seal with Nozzle as per required Size
- Transparent Silicone Food Grade Inflatable Gasket for Machine Sealing
- Maintenance Seal

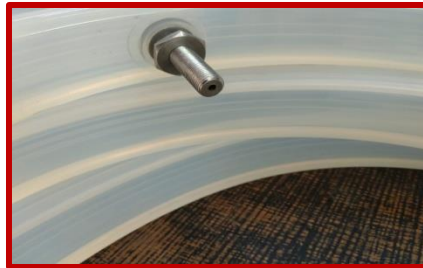

Quality

Silicone, Food Grade

Size

ID 300mm onwards

Customized Yes

PTFE TEFLON

Description

- Sheet
- Rods
- Bushes
- Flange Gaskets
- O' Rings
- TC Gaskets
- Bellows
- Encapsulated Rings
- Envelope Gaskets
- As per Drawing or Sample

Quality: Food Grade and Pharmaceutical PTFE Teflon

Size As Per requirement and Drawing

Customized Yes

MOULDED SIEVE / JALI / MESH (SS316)

Description

- SS316 Transparent Silicone Molded Sieve for Vibro Sifter for Size 12", 20", 30", 36", 48", 60", 72"
- SS316 Fluid Bed Dryer FBD Sieve Molded with Transparent Silicone Rubber
- SS316 Jali for Co-Mill & Multi Mill

Quality

SS316 Sieve Molded with Transparent Silicone Rubber

Size

12" to 72" Size are available

Customized Yes

SPRING FOR VIBRO SIFTER

Description

- Complete Assembly with Nylon Bush, Nut, Bolt & Washer on both sides.

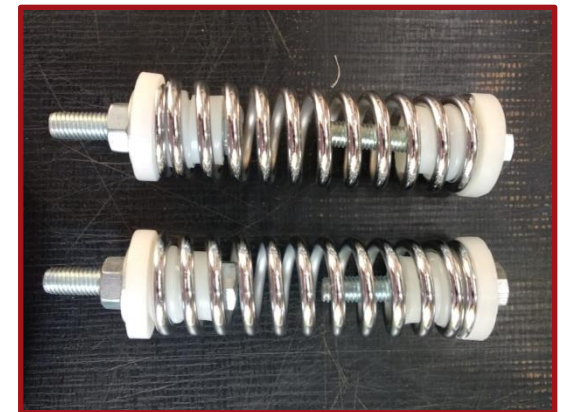

Quality

MS Chrome Plated & Polished
SS304

Size :

Big
Small

Customized Yes

RUBBER BALLS

Description

- White & Transparent Silicone Rubber Balls
- PTFE Teflon Balls

Quality

Silicone, Food Grade, PTFE, Viton, EPDM, Neoprene and NBR Rubber Balls
PTFE Teflon Balls

Size Dia 6mm Up To Dia 50mm

Customized Yes

FEP ENCAPSULATED O RINGS

Description

- FEP (Fluorinated Ethylene Propylene) Silicone Rubber Encapsulated O-ring
- FEP (Fluorinated Ethylene Propylene) Viton Rubber Encapsulated O-ring

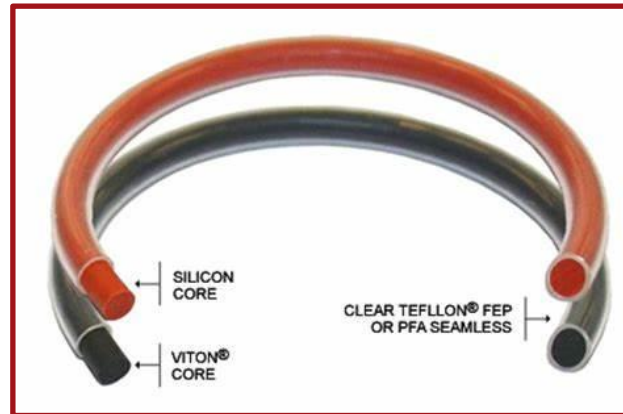

Quality

Silicone and Viton Rubber Encapsulated with Food Grade FEP

Size

ID 25mm X Dia 4mm Thick
Up To ID 3500mm X Dia 12mm Thick

Customized Yes

SIGHT GLASS GASKET ASSEMBLY

Description:

- Transparent Silicone C Type Gasket with Polished Toughened Glass Complete Assembly for Clear View of what is happening inside the machine.
- Heavy Duty Glass with Good Quality Gasket for proper Sealing.

Quality

Silicon Gasket
Toughened Glass

Size

75mm, 100mm, 125mm, 150mm,
175mm

Customized Yes

MECHANICAL SIFTER COUPLING

Description.

Mechanical Sifter Motor Coupling
High quality rubber
Good Mechanical properties.
Low maintenance.

Quality.

White Rubber
Black Rubber

Size

20" Sifter And 30" Sifter

Customized Yes

MULTI MILL SIEVE AND GASKET

Description:

- SS-316L Jali for Co-Mill
- SS-316L Jali for Multi Mill
- Silicone Gasket for Charging Hopper (Kaanwala)
- Silicone Gasket for Discharge Hopper

Quality .

SS316
Silicone, Food Grade

Size

Standard Size

Customized Yes

FLUID BED DRYER (FBD) SIEVES

Description:

- SS-316 L Fluid Bed Dryer Jali
Molded with Transparent Silicone
Rubber

Quality :

SS-316 L Fluid Bed Dryer
(Fbd) Sieves Molded with
Transparent Silicone
Rubber

Size

As per Requirement

Customized Yes

VIBRO SIFTER GASKET

Description :

- White Silicone Sifter Gasket U Type
- Endless Type
- Running Meters

Quality

Silicone, Food Grade

Size

12", 16", 24", 30", 36",
48", 60", 72"

Customized Yes

PVC WIRE HOSE

Description

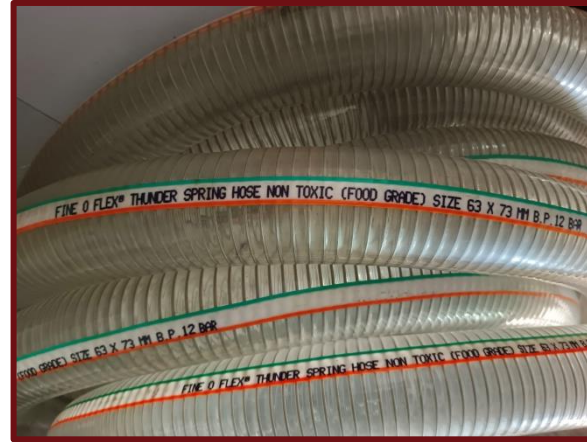

- Transparent PVC Non Toxic Wire Braided Hose Pipe
- Inner and outer Hose wall is smooth.

Quality

Size:

8" to 90" sizes are available

Customized Yes

SILICONE HOSE PIPE

Description:

- Straight Flexible Rubber Hose
- Conical / Reducer / Taper Type Flexible Rubber Hose

Quality:

Silicone, Food Grade, Neoprene, EPDM and NBR Rubber

Size:

ID 50mm Up To ID 450mm with lengths as per requirement

Customized: Yes

BUTTERFLY VALVE GASKET

Description:

- Butterfly valve gasket
- Color. White, Transparent, Red

Quality: Silicone Rubber

Size: 2", 3", 4", 6", 8", 10"

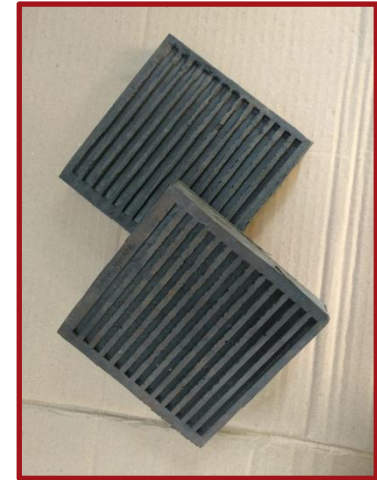

Customized: Yes

RUBBER PADS

Description:

- Black and white rubber pads

Quality: Black and white rubber pads

Size: 6" X 6" 12" X 12"

Customized: Yes

NYLON MESH

Description:

Nylon mesh

Quality: Nylon mesh

Size: As per requirement

Customized: Yes

DIAPHRAM

Quality: Silicone, PTFE Teflon

Size: As per requirement

Customized: Yes
